PORTFOLIO

PORTFOLIO

Exhibition company Fair Expo works on Kazakhstan exhibition market more than 15 years.

Nowadays our company is upswing company , both at the national level and at the international level.

Our production capacity is increased due to the high quality of service and the professional staff, modern technical equipment.

Production base of the company includes design studio, design office, the decoration department, the department of construction of exhibition stands and displays, technical department managers. Buildings made from the company's own equipment «OCTANORM».

The main activities of our company:

- Construction of individual and standard exhibition booths;
- Prosecution of conferences, presentations;
- Organization of exhibitions "turn-key", which includes: the creation of the layout of the overall presentation of the exhibition, the design of the stands, vinyl cutting fascia signs, logo design, full color printing posters, banners, production volume elements, hotel accommodation.
- Construction of exhibition area;
- Manufacture and sale of mobile stands;
- All kinds of art and printing works on the exhibition booth.

Cooperating with the exhibition company Fair Expo, you can be assured of the originality, quality and flawless execution of your order.

Our company participated in decoration of important forums:

The First Trans Asian Forum OSCE

Forum of Near -Border States of the Republic of Kazakhstan and Russian Federation

Summit of the Shanghai Cooperation Organization (SCO)

World Islamic Forum (WIFE)

The Soviet of Foreign Investors.

The professional approach and experience combined with the latest technology allows us to develop an attention to detail and design projects to create functional exhibition stands that are nice to visit and in which to work comfortably.

2

We are building standard exhibition booths and booths on individual projects. Design and manufacture of exclusive stands made using equipment «OCTANORM», elements of wood, plastic, glass and other materials.

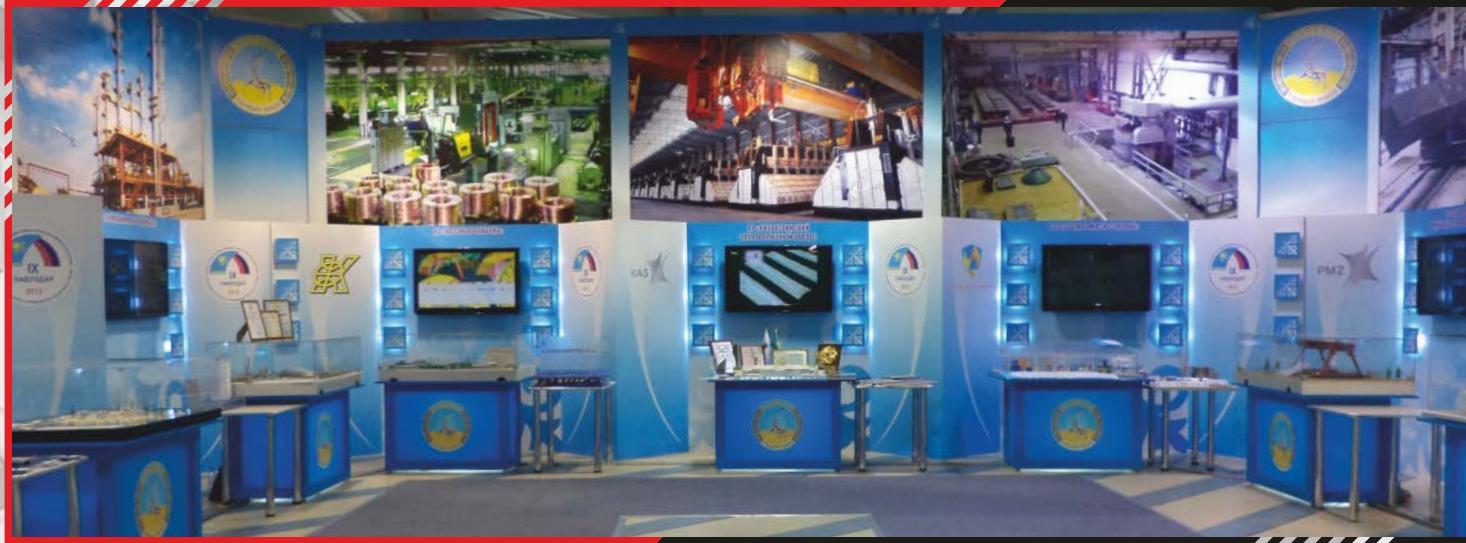

4

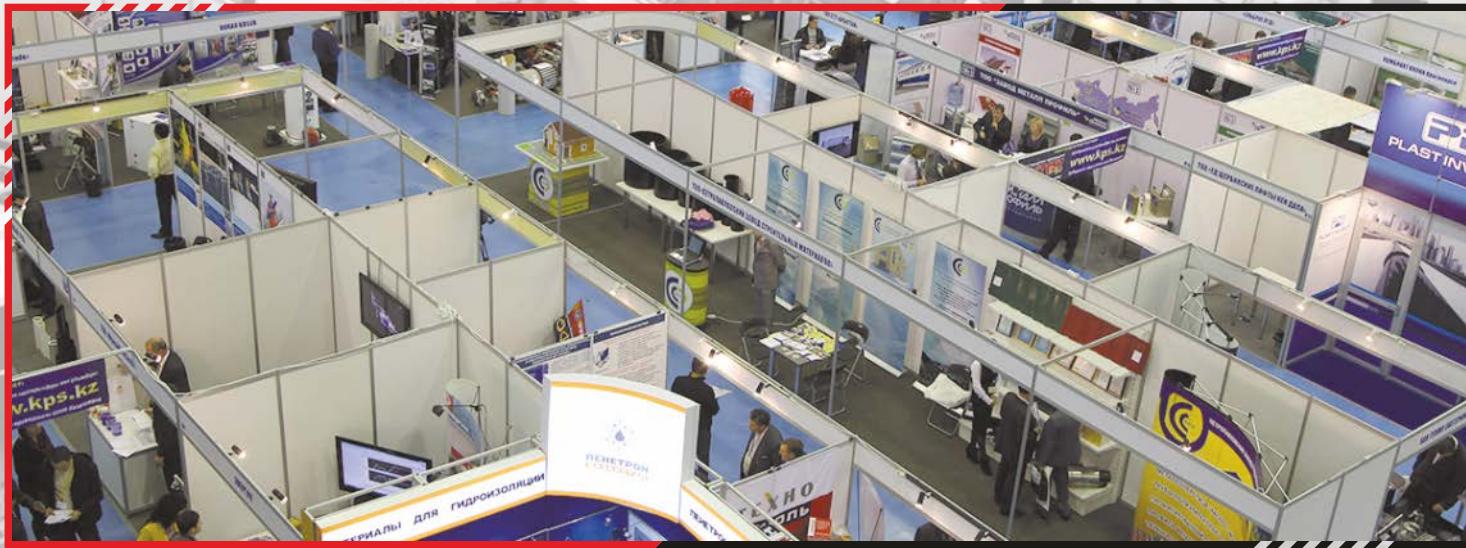

The implementation of the whole process of creation, from the first sketches to the pre-assembled on our own production guarantees high quality of the booths at the show. Cooperation with European companies and exchange of experience ensure compliance with the highest international standards and continuously improving technology.

6

Our company participated in the design of many international events.
The first Trans-Asian OSCE Forum.
Forum of Interregional Cooperation of Russia and Kazakhstan.

8

Summit of the Shanghai Cooperation Organization (SCO).

Foreign Investors Council under the President of the Republic of Kazakhstan.

International exhibition of arms and military equipment «KADEX».

Mobile stands are collapsible anodized aluminum frame to which a magnetic tape attached graphic panels of high quality.

10

One of the promising areas of our work - interior design.

Create a visual model "from scratch", or update an existing space at the highest level, using modern trends and innovative finishing materials, furniture and decor.
